Don't plan your wedding without it!

The demands of planning a successful wedding are worthy of a diploma in event management, yet most of us are faced with the challenge of learning on the job.

The Step-by-Step Guide to Planning your Wedding by Lynda Wright is the wedding planner guide that you can afford - and cannot do without.

Based on experience and feedback from other brides, it is written and designed in a logical, easy-to-use style. It concentrates on the practical aspects of preparing for your big day and is divided into three parts:

- The countdown calendar, detailing all the vital steps at each stage of the preparations
- The Action Plan, showing the step-by-step sequences needed to organise the transport, flowers, photography and the other essentials
- The checklists, providing lots of space for you to record all the relevant information, so that you can track your progress and ensure that nothing has been overlooked

Author, Lynda Wright says, *“If you follow this book step by step, you can truly feel confident that your big day will be a great success, and one that you’ll remember for the rest of your life.”*

The Step by Step Guide to Planning your Wedding is published by **How To Books Ltd** www.howtobooks.co.uk. and is available at \$18.00 in major bookshops and online retailers across the USA and Canada. ISBN 978-1-84528-410-7
